

Code of conduct benchmarking

The tool contains:

- An assessment of your Code of Conduct against that of other organisations in the benchmark.
- A set of metrics and charts.

About the benchmark:

- Evaluates 162 principles for responsible business management in 20 organisations.
- Based on the Institute of Business Ethics' Illustrative Code.
- Evaluates against best practice.

This tool is useful for:

- Ensuring your Code of Conduct covers areas where poor behaviour or decision-making could put you at risk

We can also:

- Add industry and competitor codes to the Benchmark.
- Help with code design.
- Draft a code of conduct.
- Help with the roll out and embedding of the code.
